

Kemerton Parish Council

Transparency Code

Overview

Kemerton Parish Council has opted to publish the information that would normally be required by the Transparency Code for Smaller Authorities:

This Code is issued by the Secretary of State for Communities and Local Government in exercise of his powers under section 2 of the Local Government, Planning and Land Act 1980 (“the 1980 Act”), as amended by section 38 of the Local Audit and Accountability Act 2014, to issue a code of recommended practice as to the publication of information by local authorities about the discharge of their functions and other matters which he considers to be related.

This Code does not replace or supersede the existing legal framework for access to and re-use of public sector information provided by the Freedom of Information Act 2000 (as amended by the Protection of Freedoms Act 2012), Environmental Information Regulations 2004, the Re-use of Public Sector Information Regulations 2005 and Infrastructure for Spatial Information in the European Community (INSPIRE) Regulations 2009.
